Certification process
consists of initial and
regular assessment of:

- quality system
- product

Drinking water treatment chemicals – health effects according to NSF/ANSI/CAN 60

Product specification

This certificate covers the 'Sodium Metabisulphite Anhydrous' used as a de-chlorination agent used in RO or UF membrane filtration processes.

Hygienic aspects

Approval:

This product is approved on the basis of the requirements set in NSF/ANSI/CAN 60.

Kiwa NSF/ANSI/CAN 60 criteria:

The product certification is based on two main criteria. The product shall permanently comply with:

- the product recipe approved during the assessment procedure. The recipe is laid down for the confidentiality reasons undisclosed in the appendix to certificate K109632. This recipe is not to be changed without prior approval by Kiwa according to the Kiwa approval procedure for the hygienic aspects;
- specific product requirements for the hygienic aspects, laid down in the appendix to certificate K109632. For confidentiality reasons this appendix is not public.

Application and use

The following conditions apply to use of 'Sodium Metabisulphite Anhydrous':

- The product may be added directly to the treated water;
- De-chlorination agent used in RO or UF membrane filtration processes;
- Purity will be 98% min.;
- Maximal usage dose of the product is 15 mg/L.

Marking

The product shall be marked with

Or words **KIWA NSF/ANSI 60**

Location of the mark:

- on the packaging / on the delivery receipt.

Mandatory marks:

- "Product trade name"
- "Certificate number"
- "Manufacturer's name and address"
- "Net weight"
- "Lot number"
- "Maximal usage dose of the product"

The realization of the marks as is follows: clearly and indelible.

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- National Company for Sulphur Products
- and, if necessary,
- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
